TO ALL TOURNAMENT SECRETARIES

2018/2019 POSTAL COMPETITION

Sorry for the delay the full fixture list will follow in the post, (you will need this for the division scores & contact details). Welcome to the 2018/2019 'Postal', especially clubs taking part for the first time, also all new Tournament Secretaries. We hope you all enjoy your shooting and the competition.

We appreciate the terrific job you, as Tournament Secretaries are doing to help with the smooth running of the competition but please remember to let me have the results as soon as possible after matches have been shot – thank you.

Please make sure you send your opponents a copy of your score sheet as stated in Rule No. 2

Please Note: scores can be emailed to me at: info@bapostalleague.co.uk, these must be set out in score sheet layout. A Word Format or PDF are available on the Website or on request.

We would also like to take this opportunity to introduce you to the BA Postal League website which can be found at www.bapostalleague.co.uk here you will find the most up to date information on the league, downloadable forms and results.

A few of the points that we are often asked:-

If you are drawn against a Bye, the match must be shot and your scores sent in.

All Frostbite rounds are to be shot outdoors.

Clubs with multiple teams i.e. A,B & C etc., the makeup of the teams is decided by the highest scores (Rule 4) not chosen by the club before the shoot as an A or B list.

Due to the changes in postal charges the ideal envelope size to use if you are sending several score sheets at once is C5 (163 x 228mm), or if you do use a A4 envelope please use a **Large Letter stamp**, last season I had several underpayments to make good.

If there is not an email address for one of your opponents a copy of your results must be sent to the postal address on the fixture list.

If you email with requests etc. please always include your club name and the division the team is in. Junior archers can either shoot in the Senior leagues or Junior leagues **but not in both**.

The results will be posted directly to you during the season in January, March and May. The final list of winners will be published in Archery UK. All is now set for 'the off', good shooting and best wishes.

Regards

David Durrant
